MULTIPLIER ASSEMBLY

Design Specification Sheet

Company:		Customer P/N:	
----------	--	---------------	--

Engineer(s):		VMI Part No:	
--------------	--	--------------	--

Telephone:		Fax:	
------------	--	------	--

Due Date:		Qty to Quote:	
-----------	--	---------------	--

Target Price:		Qty/Usage/Time Span:	
---------------	--	----------------------	--

Assembly Type:	Half/Full Wave/Series/Parallel	Program/ Application:	
----------------	--------------------------------	-----------------------	--

Number of Stages	One Diode/Cap per Stage
------------------	-------------------------

Input Voltage (pk-pk)	
-----------------------	--

Output Voltage:	
-----------------	--

Output Ripple:	
----------------	--

Output Current:	
-----------------	--

Output Regulation:	
--------------------	--

Operating Freq.	
-----------------	--

Size (Max/Preferred)	
----------------------	--

Mounting:	Studs/Inserts/Holes/etc.
-----------	--------------------------

Terminations:	Leads/Inserts/Connector/etc.
---------------	------------------------------

Non-Op Temp:	
--------------	--

Operating Temp:	
-----------------	--

Special Requirements:	
-----------------------	--
